

**Parish Council Meeting November 27, 2012 – Grade School Report**  
**Respectfully submitted by Judy White, Principal**

**Enrollment: 257, with 1 new student starting tomorrow and 2 after the break. 260, budget made!**

**Reunion:**

Reunion was a huge success- over 375 happy visitors, including previous principals, Bernie Fisher and Pat O'Donnell. We are waiting for our returns to determine our profit. At first glance, we appear to have done very well. Special thank you to Anthony Albence for his tireless volunteer work/organization!

**Marketing:**

Signs went up (marketing budget), and everyone has responded positively. Nick Giofre from YAC is willing to donate more signs, this time in the gym. I asked for at least one banner for a St. Francis de Sales quote and one with the core values of St. Francis of Assisi. He loved the idea and said they could order "Go Tigers!" also.
